FamilyID registration and physical form submission can all be completed on your phone, a PC, Tablet, or iPad. Registration must be completed through the FamilyID site and SECTION 7 must be uploaded by 11:55pm on Saturday, November 6, 2021 for all WINTER 2021-22 athletic offerings.
The process in which student-athletes will submit their PIAA Comprehensive Initial Pre-Participation Physical Examination and supporting information is listed below. We are excited to offer the convenience of online registration through FamilyID.

FamilyID is a secure registration platform which provides students and families with an easy, user-friendly way to register for all athletic offerings. When you register through FamilyID, the system records and stores your information in a FamilyID profile. Regardless of the number of athletic teams on which a student-athlete participates during the school year, you'll only need to enter the information one time.

All of the information which previously required handwritten responses can now be entered online (with the exception of Section 7). Section 7 will remain a hard copy which student-athletes must have completed by a physician. Upon completion of the physical examination, you’ll be able to upload Section 7 into your FamilyID account.

The DEADLINE to complete your entire registration in FamilyID (including uploading PIAA Section 7) is Saturday, November 6, 2021.

You can scan or take a picture of the PIAA Section 7 to upload into FamilyID. When your registration is complete, you will receive two email notifications:
1 - when the registration has been RECEIVED
2 - when your entire registration process has been APPROVED

All late registrations, or those not receiving an approval email, will not be guaranteed the opportunity to participate on the first day of practice. You can always check the status of a student-athlete's Athletic Participation Clearance Status by logging into your FamilyID account and selecting "VIEW OR EDIT MY REGISTRATIONS." Select the "SUMMARY" tab at the end of the current registrations.
