

Forest Hills School District

David L. Lehman
Superintendent of Schools

February 7, 2023

Dear Ranger Family,

Providing a safe and secure learning environment for all Rangers is "R" primary goal. To ensure the District is prepared and has placed due diligence in planning for potential situations, we will be running various safety and security drills over the next several weeks. Please be patient with potential disruptions and delays in the schedule due to the safety and security drills which will occur. Be advised, these drills may occur without advanced notice. The safety and security drills are planned and practiced in consultation with local law enforcement and emergency personnel.

In the event of an actual school emergency, pertinent information will be provided through the District's communication channels and through media outlets. To make sure you receive important messages, please be certain to keep accurate contact information on file with your child's building office. It is all of our responsibility to keep our most precious resource, our children, safe. Thank you for your attention to these matters and for your continued support.

Thank you,

Dr. David Lehman
Superintendent

Mrs. Rebecca Roberts
Jr-Sr High School Principal

Dr. Robert Dill
Elementary Principal
