

Forest Hills School District

Dear Parent/Guardian:

There are multiple situations in which school bus drivers require student information in order to safely and efficiently carry out their responsibilities. It is critical that school transporters have relevant health and medical information about the students who ride their buses.

Please list below any relevant medical information you would like the Forest Hills School District to share with your child's bus driver(s).

If you have any questions or concerns regarding this information, please contact me at 814-487-7613, extension 2244.

Sincerely,

Joseph Gironda
Transportation Coordinator
